

TEODORO SCHMIDT

VIVIENDA Y HOGARES

The map displays the distribution of housing and households across the communes of the Arica Region. The density is represented by a color scale from light yellow (low density) to dark red (high density). The highest concentrations are visible in the central and eastern parts of the region, particularly around the communes of Arana and Teodoro Schmidt. The map also shows the Rio Queule and the location of Lago Budi. A north arrow is located in the bottom left corner.
