

LA LIGUA

TRABAJO

The map displays the Puna de Atacama region, characterized by its high-altitude landscape. The study area is outlined in red. The terrain is color-coded: green for elevations above 271m and yellow for lower elevations. Work units are marked with yellow and red rectangles. Key geographical features include Cerro Iman, Cerro O'Leones, and Cerro Colorado. Locations such as Papudo, Zapallar, Cachagua, and Catapilco are labeled. A north arrow is located in the bottom left corner, and the Data Intelligence logo is in the bottom right corner.
